Celeb News, Gossip & Funny Stories

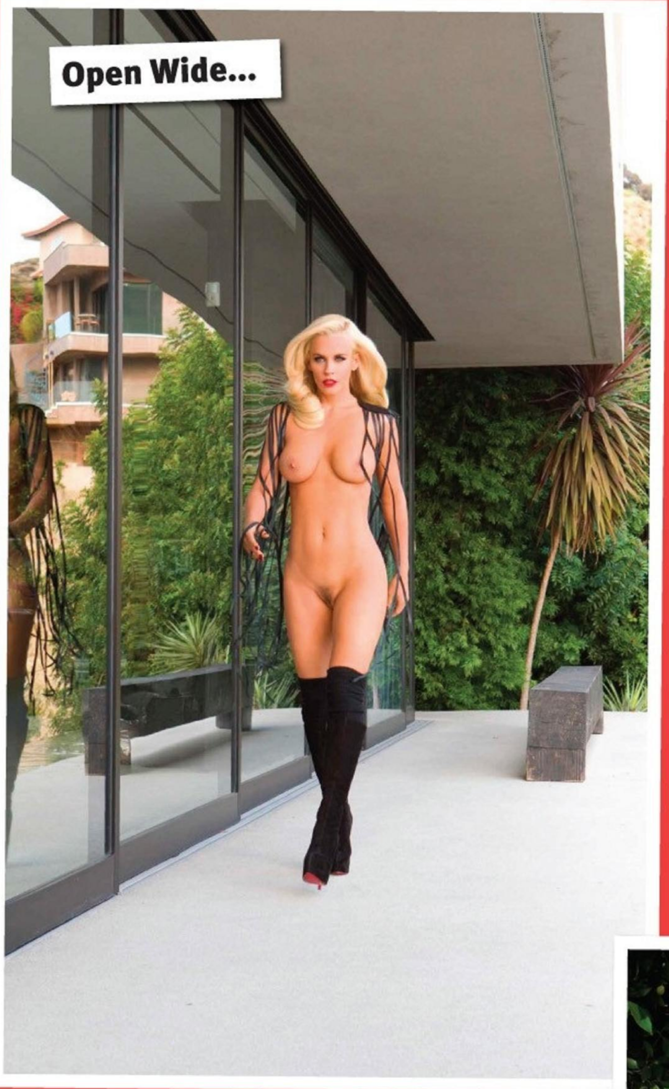
Holmes Alone

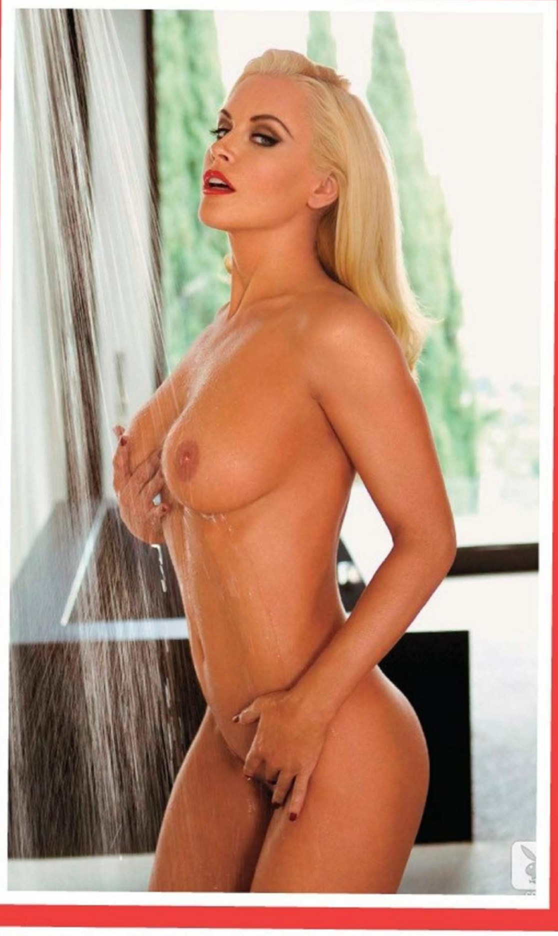
So, Katie Holmes and Tom Cruise are to divorce. Quelle surprise. The real news is how acrimonious it's set to be, with rumours swirlin g around that she's worried about his commitment to nutjob cult Scientology. Or perhaps she's just seen Rock of Ages and realised Tom hasn't made a good film since Magnolia. Either way, the former Dawson's Creek star is single, so we can only hope she feels free to share her 'gifts' as she once did in, er, The Gift.

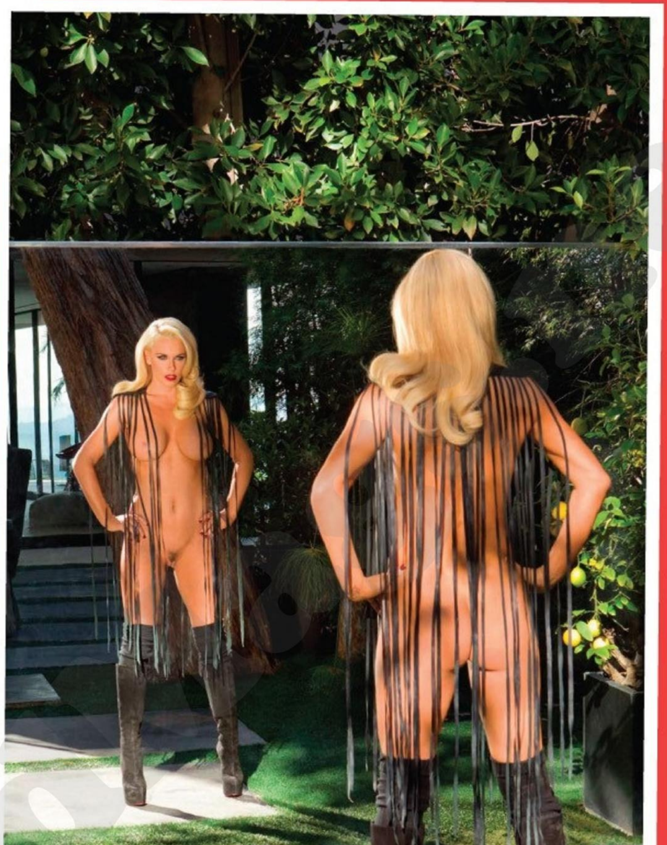
Dumbo's Ears

We revealed – somewhat non-exclusively – last month that former TOWIE divvy Amy Childs was having a boobjob to boost her 32C cup top-twats to a bra-worrying 32DD. We sat on the fence about it, on the basis that we pretty much just like tits. Now Amy has had her date with the surgeon's scalpel and we're waiting for them to be given their first outing. "They hurt so much more than they did the first time I had them done," she says, "I feel like an elephant is sitting on my chest." We look forward to seeing your new Babar's shortly...

Open Wide…







Jenny McCarthy, whose job we don't actually know so let's say 'celebrity', has revealed that she recently 'sexted' her dentist. She meant to forward a picture of her bloke's abscess, but attached the wrong picture and sent the lucky driller a picture of her in the altogether. And even though Jenny first flopped them out back in the 90's for *Playboy*, her brand new pictorial for them shows that at 39, we'd still give her a filling and root her canal.

Thompson's Local

Okay, so maybe Emma Thompson isn't number one on the list of British actresses we were hoping would have a nip-slip on the set of her latest film – she's 53 now, bless her. But her wardrobe malfunction on the set of movie *Love Punch* did at least serve to remind us of the national treasure's past form in this regard. Yup, we tweaked many out to her comic sex scene with Jeff Goldblum in Brit-com *The Tall Guy* back in the day, wearing out our VHS player's rewind button in the process. Certainly beats the sight of her Nanny McPhee's circa 2012.

Brienne's Beauties

Readers of George R.R. Martin's excellent *Game of Thrones* series must have thought that British actress Gwendoline Christie was pretty much perfect casting for the role of giant female knight Brienne of Tarth, AKA Brienne the Beauty. The actress stands at least 6'3" tall, and convinces as someone who can mix it with the merciless male knights of Westeros. Apparently she was spotted by artist Polly Borland while working in a shop in Brighton and agreed to take part in this arty photoshoot. And with those nips, it's clear that winter is coming...

CELEBRITY GOSSIP

Absolut Arse

All sentient beings are familiar with every single thing Jordan does – the shit books, the photoshoots, the weddings to lunks, the makeovers. And just in case we miss anything, she keeps us posted by telling us what she's been up to. This month she was asked by *Now!* magazine, "What's the rudest thing you've ever done in the name of love?" She could have referred to her infamous sex tape, of course, but no, she dropped a fresh one on us: "I fucked Alex [Reid] up the arse with a vodka bottle." *Now!* failed to ask the obvious follow-up question: Did she end up downing shots or downing shits?

SUNNY DELIGHT

She's worked in the Bunny Ranch, she's worked in porn films, she's got an amazing bum, a tongue that goes for miles and... well, basically, we love her. Meet Sunny Lane...

How did you get started in the adult industry?

I was a professional ice skater and then did some coaching before a foot injury made me need to change my life and I started dancing at the hottest club I knew: Deja Vu in Tampa, Florida. While attending the NightMoves show, I met some of the stars like Jesse Jane, Montana Gunn and Ron Jeremy who exposed me to that arena in the industry. From there to the AVN show in Vegas, then L.A. where I was on Juli Ashton and Tiffany Granath's cable show. They challenged me to perform in an Axel Braun video and I did a scene in Squirting 101 – and yes, I squirted! – and here I am now! Axel only did me with his fingers in that movie and my first video sex was actually in POV Fantasies with Brother Love for New Sensations. I was nervous but also really excited and it was great fun.

From ice skater to sex star?

In professional skating you have to connect with the fans and the judges, you have to be beautiful and glamorous and you have to know how to carry yourself both on and off the ice, so there are a lot of the same elements as the adult industry. I took everything I learned in skating and applied it to the exotic world. I like to do it all and learn everything; I'm always pushing myself to

go to the next level. I can't skate so I have to push myself in other ways, from the movies I shoot to the photographs I do, the webcams for IM Live, feature dancing and also I'm at the Bunny Ranch. I'm an entertainer, that's what I do. I love to make people smile and laugh, I get off on that, and it makes me happy. It's so gratifying and makes you feel so good. I'm definitely a sexual exhibitionist.

And are you a voyeur as well?

Oh yeah, definitely. I prefer to watch it live and fortunately I'm in this business where I have the chance to do that. Other than that, I do watch porn. I'm very sensual and love all the senses: smell, touch, sight, taste, and sound. I'm really into tantric sex.

Do you like to masturbate?

Most of the time I wake up masturbating, I still have wet dreams! It's crazy because I don't remember them, but I know I'm having fun and my hands cup myself. I do fantasize and masturbate with toys. I like masturbating a lot; it's very sexy and a big turn-on.

What else turns you on?

With a guy and we're just totally getting it on, if he knows how to talk dirty to me or get into my head, that's a huge turn on, I really like that. Seeing two people together, whether it's two women who are very sexy and very sensual with each other or a man and a woman. Caressing me the right way, I like touching myself and watching people. Taste and eating something that makes you feel so good, it's all sensual.

Does size matter? How do you prefer your cocks?

I can handle them all. I love big cock! And I love blowjobs. I think that's one of the best things that I do and I have a really long tongue.

You've been with some big guys.

I like those big guys who can pick me up because my favourite position is he-man where the guy is standing, holding me under my thighs and bouncing me on his cock. Lee Stone and Marco are great at that and Mark Davis, he's awesome! I'm going to be shooting Performer of the Year for Elegant Angel with Mark Ashley and I'm really excited about that. Kurt Lockwood is a blast and he's the first one who ever picked me up for upside-down 69. Evan Stone is wonderful to work

with and we have a great time. Tom Byron and I were in House of Ass 9 and Cocksuckers, and have a really great connection. He's awesome. He, Manuel Ferrara and Mark Davis would definitely be my top 3 guys. They know just what buttons to push.

And Manuel had the chance to push a new button when he did your first anal scene.

He's great and Elegant Angel was so wonderful and accommodating. I was really stoked and Manuel knows how to get me there. He's so sexy and he loves women just like I love men. I loved the whole tease going into it and it was so hot, I felt so good and I think it turned out really well. You can tell in the scene that it felt passionate and real and we do connect. We started with vag because I like that and it's my first anal so I've got to have the vag and have him enjoy the whole body and every hole. He's so hot and knew how to make me relax and really get into it. Check it out in Big Wet Asses 13. Oh my goodness, it makes me wet even thinking about it now.

Do you prefer scenes with people you've worked with before or new talent?

I really like the talent that I already know because we really know how to work together, we know how to move in the right position, we get it flowing, we know each other already so we're comfortable. With a totally brand new person, for myself, I've got to control the situation. He doesn't know what to do, how to open up so you've got to give him little signals and do little things to train him. With someone else who's done a few scenes but I haven't had the chance to work with him yet and want to, that's exciting. That's so thrilling to me because I've been thinking about this person and maybe we've been flirting already and wanting to get it on.

Had you been with girls in your private life before getting into the business?

Yes, just a few and it was mostly just experimental. In the business I've been really fortunate to work with really hot girls. This year alone I've been working a lot for Triangle Films, a new lesbian company. Girls, yeah! Bree Olson. Love her. She is so much fun and incredible. I was wanting to get it on with her for so long and we finally had the chance in Roller Dollz. Courtney Cummz, yummy. Lacie Heart's not around anymore but she and I got along really well.

Are you into group sex?

I like variety, it's fun. My favourite scene to shoot is a boy/girl/girl so I have a man and a woman, the best of both worlds. I like to mix it up. There are times when I want that one-on-one because that's where we have that intimate connection.

Tell us about your favourite scenes.

Dark Angels 2: Bloodline [from New Sensations] is so memorable. I had sex with Dillon Day on a mustang and we put a dent in that car! Another favourite is the scene with Evan Stone in Sex Pix. It was the first time I met him and he was so incredible. I got to work with Jenna Haze in an interactive movie that Devinn Lane directed and that was awesome. Roller Dollz is one of my favourites partly because I got to be competitive and skate with the real derby doll girls and I got to have sex with Bree.

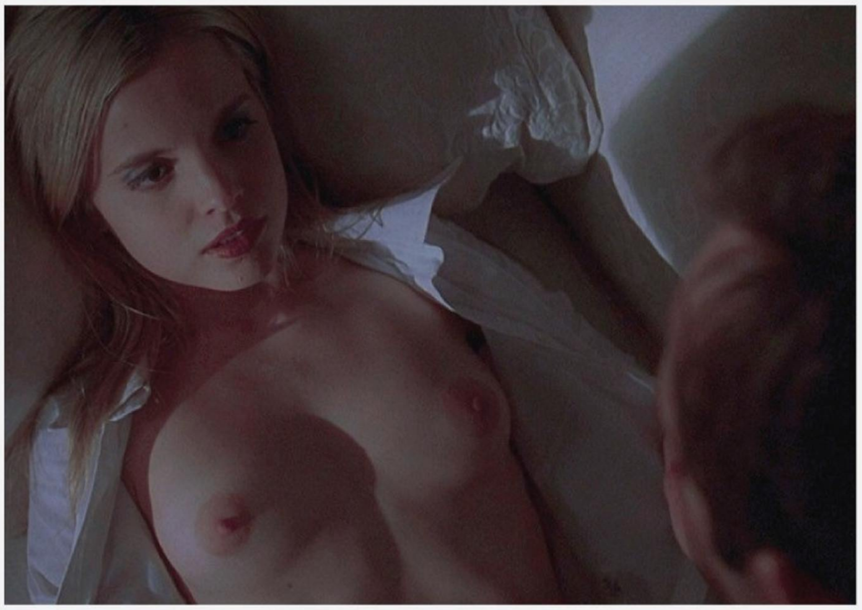
Is it easy to make you cum?

Yes, I have multiple orgasms and I can cum very many different ways. I cum very easily from my clit, from my G-spot, from caressing me, from my nipples, touching me or blowing me the right way and teasing me. Since I've been in the business, my sexuality has been heightened and become even stronger. I've learned so much more about things that I like, things that turn me on.

TRUEBUDS

True Blood might have gone a bit off the boil in terms of plot recently – vampires we can take, but once they added werewolves, shapeshifters, fairies and frickin' witches to the mix, we switched off – but it's still simmering along nicely when it comes to fresh female flesh. Lead actress Anna Paquin, long on our wishlist of celebrity skin, delivered her boobs to us numerous times over the first three series, and while she's kept her waps under wraps so far in the latest episodes, there's still tits galore. New cast additions Valentina Cervi, Melinda Page Hamilton and Melanie Camp are making sure our blood rushes to our groins in pretty much every episode. Now if only they could persuade Deborah Ann Woll – incredibly fuckworthy redhead vampire Jessica – to pop hers out, rather than just tease us endlessly, we'd say fangyou very much…

Mena Suvari



Blimey. It's 13 years since Mena Suvari gave Kevin Spacey a bonk-on in *American Beauty*. She might not have gone on to have an A-list career, but she's still cute as a button and still getting out her American beauties in films like 2008's *The Mysteries of Pittsburgh*, which you can see here. To the right. Look now. You can see her tits. Why are you still reading this rubbish?

Letters

Do you have any burning questions that you want answered?

Email Mail Slut at: letters@euroticus.net

Dear Mail Slut
I loved the photo spread of those naked ladies playing with a dildo in your last issue. They looked so happy and sweet and it got me thinking: do you think every girl is a bit bi? You see I've always wanted to see two girls sucking my cock but had not suggested it to my girlfriend out of fear that she'd dump me. But if she actually gets off on girls, it could be a win-win situation for everyone. What do you think?
Josh, London

Dear Josh,
I actually like to think that everyone's a bit bi. Indeed, I love nothing better than being filled up by a nice, fat schlong as I'm chowing down on a wet pussy. However, your girlfriend is more likely to let you embrace her inner lezza if you are prepared to embrace your inner gay. Then your wife can feel the power of two men mauling her and you'll get to know how great it feels to feel a cock up you. Now that's win-win.

Dear Mail Slut,
I tried smothering my boyfriend's smelly cock with custard before blowing him, as suggested in your Bad Taste feature. I had a great time deep throating and even swallowed! But his vanilla-flavoured load gave me indigestion and so I was left high, dry and feeling shit. Is there anything you can suggest?
Claudia, Birmingham

Dear Claudia,
Mix the custard with Milk of Magnesia. That way you get a tasty cock that's hot in your mouth and cool on your heart.

Dear Mail Slut,
I just wanted to take a moment to pay homage to Kelly Brook's bottom. Seeing those two, perfectly round peachy, cheeks, decorating your magazine was enough to turn me from being a boob- to bum-man. I love that arse so much I'd even do it after a curry. Can you let her know?
José, Coventry

Dear José,
I will be sure to pass on your tender words, once the restraining order has been lifted. Honestly, I just wanted to see if her tits were real, and yes biting them IS the best way to decipher this.

Letter of the month

Dear Mail Slut,
Your Bad Taste feature really did give me food for thought. My wife is a greedy girl – in the sense that she loves to be filled with lots of cocks. However, she hates vibrators as she thinks they are unnatural so she often feels unsatisfied. Well, last night I filled her vacant holes with loads of frozen veg as I fucked her doggy style. For added fun we ate them in a salad after. It was awesome! Thanks so much for your fabulous magazine.
Bernard, Saint Ives

Dear Bernard,
You certainly bring a new meaning to the idea of veging out arf arf. Seriously though, you are a proper dirty bastard. If you ever get bored of your lucky wife, do give me a call.

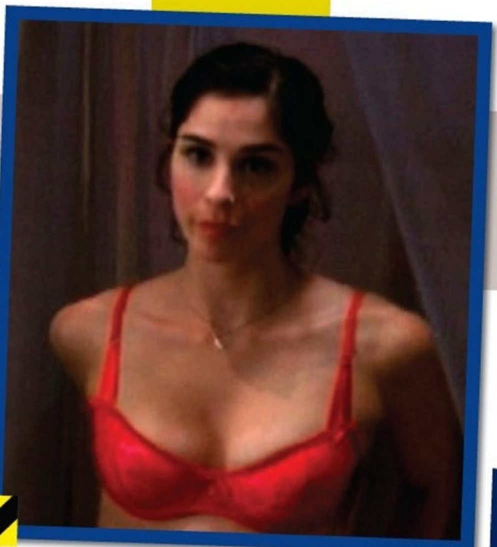
Dear Mail Slut,
I couldn't wait to put Ben Dover's tips on how to pull on holiday to the test. When we were away last week, my Mrs took the nippers swimming for a few hours and I ran to the hotel bar. But all the slutty, cheap-tart types sneered at me when I offered to take them up to my room. I thought Ben said that single women under the influence on holiday were desperate for a shag?
Luke, Manchester

Dear Luke,
The key to getting a shag is not to appear more desperate than the girls you're chatting up. Plus we all know that the way into a girl's knicks is through your wallet / her liver; you could at least offer to buy them a cocktail or two? How you ever managed to impregnate your poor wife is beyond me.

Dear Mail Slut,
You know you poked fun at Gemma from TOWIE in your last issue? Well the thing is I fantasise about actually poking her. Don't get me wrong, I would far rather have Amy Childs on my arm, but there is something so dirty and slutty about blubber girl. Do you think I'm a pervert doomed to fuck fatties?
George, Bognor

Dear George,
You've most probably spent so much time wanking over pretty girls that your brain is bored and looking for new stimulation. Indeed, at one time or another, most people have whacked off to the likes of their mother in law, the IT guy or that 80-year-old granny from the post office. That said, why not try poking a porker? If you do end up being a doomed perv at least you'll get laid lots as big girls tend to have low esteem and are grateful for the attention. I say embrace your passion – or as much of it as you can get your arms around.

Sarah Silverman



CELEBRITY SNATCH

Funny girl Sarah Silverman is a master of awkward comedy, with some great sitcoms and truly brilliant stand-up behind her. Problem is, we always wanted to see her tits as well. Does that make us sexist? If so, fuck it. Well, she's gone and made our dicks all happy by skipping just showing us her tits and cutting to showing us the whole frickin' lot, in recent movie *Take the Waltz.* Not only that, but Michelle Williams is in the same scene. You might also notice another woman in it as well, but we don't know who she is and we don't really fancy her. Sorry, love.

BIG TIT BEACH BANG!

Hello boys, I'm Christina and I'm a model from Hungary. I'm pretty sure you've seen lots of girls like me in your magazines and in pubs and clubs in the UK. We love to hang out in your country and kiss hot English boys we meet out while we're partying. And we sure get a lot of you guys on your stag dos coming over here and showing us girls a good time. Me and my friends, some of whom are also models, regularly score with British guys, and it's always a lot of fun. I guess having big boobs and being sexually adventurous makes me the kind of girl guys like you love to be with. I can understand it – I am LOTS of fun!

So anyway, I wanted to tell you about a location shoot I went on recently. The editor of Adult Sport asked me to reveal some sexy secrets about my experiences in the adult industry, and it just so happened that I had one such moment just before I got his email. Great timing, huh? It was a open air shoot I was supposed to be doing for a calendar – nothing too raunchy, just topless pictures on a nice beach in Southern Spain. We took a cheap flight out to the location. Me, the photographer and his assistant, and stayed in a little hotel near the location for a weekend.

Now, even though I am a fun-loving girl and have snogged lots of hot boys at clubs and parties, I don't just sleep with anyone – I have pretty good

standards when it comes to sex. So when the photographer, Steve, suggested we share a bed on the first night we were at our hotel I told him to go fuck himself! Ha! There's no way you get to sleep with me just because you've booked me for a job.

Steve took rejection pretty well, but what he didn't know was that I had feelings for his assistant, who was a young guy called Mike. He was just nineteen and very shy, hardly spoke at all when the three of us went to dinner that first night. But a good-looking guy, and had a cute English accent, which always gets me going (Steve was from the same town as me, and to this day I have no idea why he had an English assistant!)

So anyway, when we got back to the hotel I flirted as much as I could with Mike, partly to make Steve jealous but also cos I wanted him to know that I was up for doing anything he wanted. But he was just too shy to take the bait, so I slept alone that night. I frigged myself to sleep, imagining this skinny, shy lad fucking me, maybe even his first experience with a woman, and it was then that I decided I would have to get my hands on him one way or another, and I knew I only had a few days to do it.

So we went out to the beach the next day to take the pictures, and I started making a proper effort to make this young man notice me. All that day I posed in my sexiest positions, and made eye contact whenever I could with Mike, even though it was Steve who was taking the photos. I could tell Steve was getting annoyed, but I couldn't tell if Mike was interested in me at all. I thought maybe he was gay, but even then I was desperate to make sure I was fucked by him before the end of the weekend, gay or not. So I decided the only way to do it was to give his boss a bit of action and see if I could get him to join in!

I was lying back on a sand dune, thrusting my tits forward, when I called Steve over. He was only to happy to get close to me, so I grabbed his hand and ran it over my breasts, letting him feel my nipples stiffen in his hand. Steve couldn't believe his luck – he thought he wasn't going to get anywhere with me, and then here he was being given permission to fondle my big tits on a deserted beach. I pulled his face close to mine and he went in for a kiss. I turned his head and whispered in his ear, "You're only allowed to fuck me if Mike fucks me at the same time!"

Well, I don't think Steve was expecting that, but he jumped to action pretty quick. He called Mike over. Mike was sat back with the camera equipment, trying to mind his own business, but he shuffled over on Steve's command and then found himself pushed up against me, and with me unzipping his trousers. The poor lad didn't know what to do – I had his cock out in no time and wrapped my lips around it before he even knew what was going on. I felt it stiffen in my mouth, and it was with great relief I found out he wasn't gay at all – just shy.

As you can imagine, Steve didn't waste any time. He curled up next to me on the sand dune, pulled my bikini bottoms to one side and slid his hard cock into my pussy without even testing to see if I was wet first. I guess he must have assumed I would be, and he was correct in that assumption – I was so hot and sticky down there, all from the thought of that innocent, 19-year-old dick in my mouth. I yanked Mike's trousers down and clutched his pert bum cheeks, pulling his cock into my mouth and sliding my tongue along the shaft. He moaned loudly, and I gobbled away at him while his boss rammed away in my cunt.

I'd like to point out at this moment that I'd never been with two men at the same time before, regardless of how slutty you might think I am. And

I have to say, the sensation of taking two lovers at one is one I loved, and can't properly describe. To give and receive such pleasure in unison felt so amazing, so perfect, even though I thought Steve was a bit of an idiot.

Funnily enough, Steve lost control very quickly and soon flooded my pussy with his cum. I was nowhere near orgasming yet, so I pulled him out of me. lay back on the sand and instructed Mike to full the hole Steve had just exited. He complied, and I pulled this strong young lad into my cunt and gave him the fuck of his life, knowing full well it was probably his first. Felt a bit bad that his dick was covered with Steve's sperm, which messily dripped out of my slit, but Mike didn't seem to mind. He pumped away between my legs and buried his face between my tits as we both felt our climaxes approach.
Bless him, Mike held on till the last minute, and it wasn't until I started bucking in ecstasy that he started doing the same, coming hard into me. We held each other tight as we felt the incredible sensations in out bodies, all the while being watched by Steve, who was hard again (no surprise).

So yes, as you can guess, the three of us spent the rest of the weekend fucking and sucking. Although I did it with Mike a lot more than I did with his stupid boss. And despite all we shared. Mike barely ever spoke to me, and I haven't heard from him since we arrived back in Hungary. I don't know where he is now, but I'll never forget the filthy few days we spent together. I hope one day I get to do it all again...

BEN DOVER DELIVERS...

Our faithful fucker gives us a lesson in infidelity...

Hi, my names Ben Dover and for those that don't know me I produce and star in films that are character-led reality adult comedy dramas, based loosely on the working dynamic of Hunter S Thompson...otherwise known as gonzo porn. Last time, I shared my shagging success stories during my first job in a band touring to Newquay. Well, my second job saw me back in the town, working as a Rod Stewart impersonator at a male strip club / cabaret venue for women. I was booked as part of the cabaret in the first half of the show,

The second half was less about the music and more about the cock as it involved a dancer-cum-stripper. Although I wasn't involved in the second half, I always stayed to observe the women's reaction to seeing a naked man.

Anyone who has ever observed this phenomenon will testify that a group of hysterical drunken housewives is on a par with being confronted by a coach load of Millwall fans on their way back from a 5-0 drubbing by West Ham, while wearing an Arsenal shirt.

One night the stripper was off sick and the compere asked if I would step in, having noted my other equipment in addition to my drum kit. After getting over my initial feelings of being scared shitless, I quite fancied the idea.

The compare introduced me by first apologising for the lack of a proper stripper and told the baying gaggle that the young Rod Stewart would fill the void. As soon as I stepped out on stage, all nerves just evaporated and the pleasure of being molested by these women and getting paid for it,

ensured I was 100% up for the job.

In fact, the act was so well received that they sacked the stripper and kept me on for both the Rod Stewart act and the stripping. The compere every night used the line that the normal stripper was off sick and I was the replacement, which always helped as the women would have low expectations, but then get blown away when they got far more than the average six inches.

During this period it dawned on me that it wasn't just men that were unfaithful. Women also find sex within a relationship can often become monotonous, crave fresh meat, but also new ways to use it. The difference is they find it easier to satisfy their cravings.

Imagine the scenario: normal looking bird goes up to random bloke in a pub and whispers in his ear, "Do you want to fuck me?" The chances of him saying yes are 90% (apparently 10% of guys are gay).

Now swap random guy for good-looking guy and normal bird for ugly bitch. Good looking guy now asks ugly bitch same question. Result: 90% of ugly bitches say no (apparently 10% of women are whores).

All they need to do was go out for a night in at a cabaret-style club, dance with the girls and they land a bigger, harder cock than they had waiting for them back home... simples.

I shagged so many married women at the time and the biggest advice I can give you if you fancy tapping into this section of society is: don't get caught. Though the worst hubby incident I had didn't even involve a shag...

A guy arrived early to pick his Mrs up from my Newquay strip show. He stood at the back of the club and observed something about six inches bigger than his own while his spouse looked more excited than on their wedding night.

Purely out of jealousy, after the show he attacked me while I was still naked when my back was turned in the changing room. The attitude of the police was most disappointing, the copper basically said I deserved it for the job I did. Although, come to think of it, maybe it had been his wife I shagged up the arse the night before.

The majority of requests I still get are from bored housewives. My Housewives Fantasies series is one of the easiest I have ever filmed, there's no shortage of willing talent.

I turned up for one shoot a few years ago and the woman who opened the door was different from the photo that had been emailed. The lady explained that her friend had to go out to look after her sick mother at short notice, but if it were ok she would fill in. She added that she was up for anything, so long as we could finish and leave within three hours, before her old man returned from work.

We kept to our side of the deal and so did she, as she was totally violated for two hours and 59 minutes.

Malin Akerman

When we were kids, rumours about Swedish porn were rife in the playground. Then we grew up and realised it was all rubbish. But if there was good Swedish porn, it'd have the gorgeous Malin Akerman in it (even if she lives in America). The star of *Watchmen* and *The Heartbreak Kid* is no stranger to screen nudity, although she's yet to top her stiffy-causing appearance in *Harold and Kumar Get to Look at Some Ace Tits.*

Juicy Germans

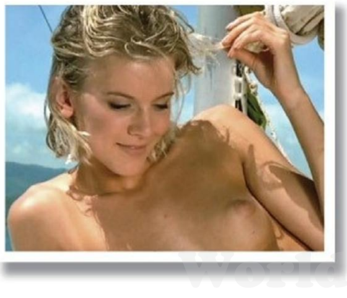
Join us as we say "Ja, ich bin ein big fan of your work" to some of the slinkiest German babes to waltz across the silver screen...

Diane Kruger

Former fashion model Diane is 35-years old and has got that MILF-y look about her these days, which is no bad thing. She was aptly cast as Helen in *Troy* (you'd sail a few boats at least to look at that face) and went on to appear in the shit *National Treasure* films and Tarantino's WW2 mess *Inglourious Basterds*. She regularly wins awards, scrubs up real nice on a red carpet and sounds like she's a right smarty-pants, being fluent in three of the many language available to the modern human being. She also does nudity. Phew. You can see her boobs and lovely bum in *Troy*, and a few French/German films too (titles like *Joyeux Noel* and *Inhale*, not that we've seen them). And cos she was a model, yep, she got her minge out. Danke schön, Diane.

Eva Habermann

Now, you won't have seen any of Eva's films unless you're actually a German person, but she's well popular all the same. This is for a number of reasons: 1) Eva takes her clothes off regularly, 2) some of the films she appears in are hits in her native land, and 3) she played the role of Zev Bellringer in English-language sci-fi geekfest *Lexx*, therefore capturing the hearts of nerds the world over. The Hamburg-born fraulein also takes her clothes off for pretty much every mens magazine shoot she's asked to do, making her our kinda gal.



Franke Potente

Franke's career went from jobbing Euro actress to global star all because of one film – *Run, Lola, Run.* The clever and exciting arty-action movie (which sees the same breathless caper played out from three different perspectives) starred Franke as a flame-haired babe who had to somehow get hold of 100,000 deutschemarks in 20 minutes to save her boyfriend's life.

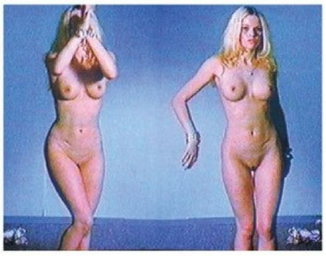
After that was a hit, she took the traditional route to Hollywood, appearing in films like *Blow*, *Storytelling* and *The Bourne Identity*. She also took regular roles in TV shows *The Shield* and *House*. Franke's got her little tits out in a few films, but none of the Hollywood ones, so they're kinda hard to get hold of. Doubtful you're gonna find *Nach Fünf im Urwald or Die drei Mädels von der Tankstelle* in your Netflix queue any time soon, entschuldigen.

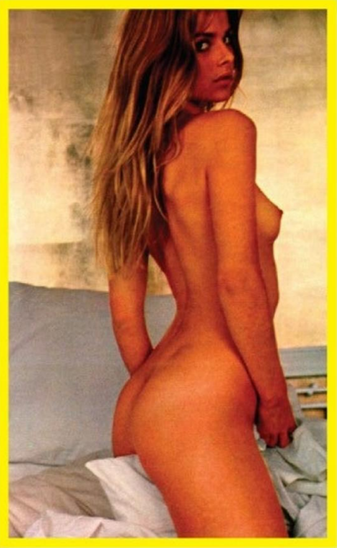
Marlene Dietrich

Born all the way back in 1901, Dietrich made a name for herself throughout the 1920s in silent then talking pictures in Berlin, before becoming an international star after her breakout hit *The Blue Angel*. She scarpered out of Germany when WW2 broke out, relocating to Hollywood where her Teutonic accent and angular cheekbones made her an exotic addition to anyone's movie. What was even more exotic was her private life – Marlene was bisexual (although this was kept out of the public eye at the time) and had made good use of the underground gay scene of Berlin in the 20s, and her many lovers over the years sometimes had penises, sometimes vaginas. Some of her more well-known hook-ups include John Wayne, Jimmy Stewart, Gary Cooper, Yul Brynner and JFK. She might have played for both teams, but she sure did like the bratwurst.

Jennifer Ulrich

The new wave of German hotties starts here, with 27-year-old Jennifer making waves on films such as, er, *The Wave* and all-girl sexy vampire film *We Are The Night*. Jennifer is super-cute and has done a smidgen of nudity (look, you can see her lovely boobies right here) but has her whole career ahead of her, having only recently started making a name for herself. She's yet to make a film out of the fatherland, but looks to be in a prime position to do so, with her recent films at least getting worldwide distribution. Next time we write about Jennifer, we expect to have lots more pictures of her tits, and maybe her schnitzel too! Auf wiedersehen, pets.





Nastassja Kinski

Officially the fittest bird on the planet in the early eighties (despite some dodgy haircuts, which can be forgiven considering the time), Nastassja was born in Berlin but raised an American. Her dad, Klaus, was a famous nutjob actor (seriously, read the man's autobiography, he was a loon) but she rarely saw him once she embarked upon her career. Controversially, whilst still a teenager, she appeared nude in the 1976 Hammer film *To The Devil A Daughter*, and later claimed she felt exploited.

Luckily for us, she didn't mind doing nude scenes was she was at a proper age to do so, so viewers of the likes of *Cat People*, *Harem* and *Maria's Lovers* got to see her slender bod, while films like *Paris, Texas*, *Tess* and *The Hotel New Hampshire* (where she doesn't appear nude but DOES do a lezzy snog whilst wearing a bear costume) made her famous. However, a lot of Fraulein Kinski's best nude work comes from her modeling days, so get typing her name into Google Image Search now for an eyeful.

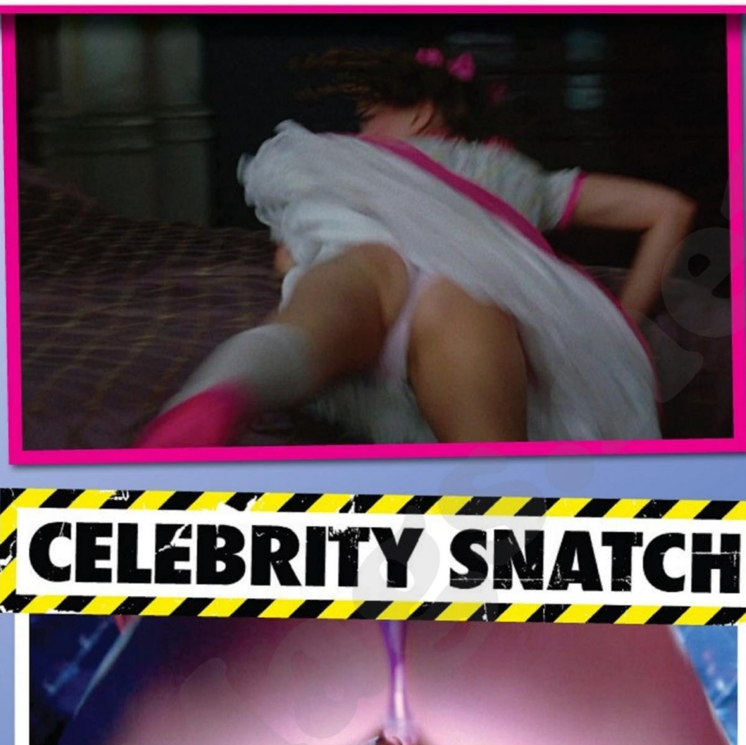
Natalie Portman

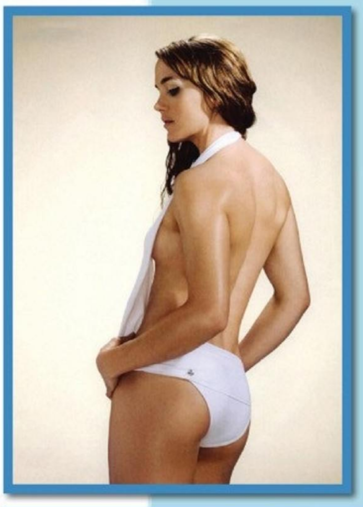
When it comes to girls we want to see nude – okay, let's be clear about this, girls we want to see actually in porn films – then Natalie Portman is right at the top of the list. Happily, she's moving in that direction – albeit glacially – with her lezzy action in *Black Swan*, playing a stripper in the otherwise dismal *Closer* and getting entirely naked without showing us anything worth seeing in the *Hotel Chevalier* prelude to Wes Anderson's *The Darjeeling Express.* Come on Nat, let's have a bit of twat...



CELEBRITY SNATCH

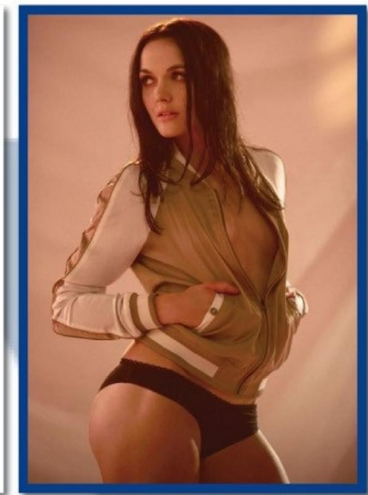
THE NO LIMP DICK GAMES!

In case you've been living in a cave or on the International Space Station, you'll be aware that some Olympics are happening this year in London, whether you like it or not. A cavalcade of amazing elite sport (except for the football), a transport nightmare, and plucky Brits running the 100 metres in about 11 seconds, only 20 yards or so behind Usain Bolt. But, also: women! Yes, women are allowed in the Olympics, even though they can't throw and most of them can't catch. And just after Wimbledon and its short skirts and lycra has finished for another year, the average male sportsviewer will need something to keep his interest going during the modern pentathlon and three-day eventing. So, here is Adult Sport's guide to the sexiest athletes trying their best at London 2012…



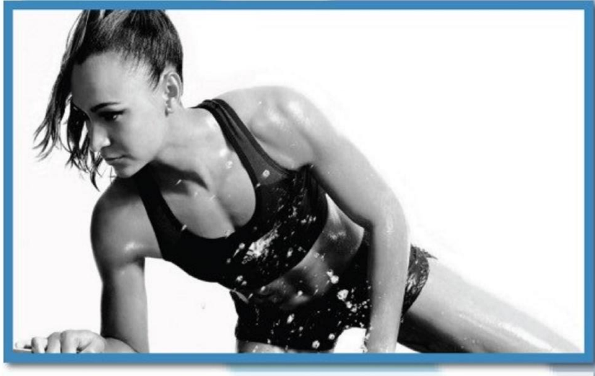
Victoria Pendleton

Oh, to be reincarnated as a bike seat. And not Sir Chris Hoy's, oh no. Vicky Pendleton MBE isn't just a bunch of gorgeousness in tight cycling Lycra, she's at the top of her game as well. A nine time world champion, and the reigning Olympic sprint champion, she's one gold medalist with a sexy bronze eye sitting snugly on her bike (we don't what what type – a Grifter, probably). And with a penchant for stripping off for men's middle shelf mags, we can't help but keep making Vicky sticky.



Natalie Coughlin

29-year-old US swimmer Natalie Coughlin is hot shit when it comes to ruling in the pool: At the 2008 Olympics, she won six medals, giving her eleven overall. She's also a former World Swimmer of the Year Award winner, which we assume you get for passing your lifesaver's badge and changing out of your pyjamas while treading water. Sadly, she's not a breaststroke expert. Luckily for her, we're great at stroking breasts…



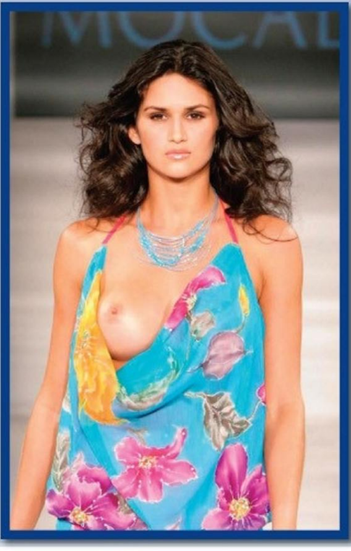
Jessica Ennis

Lovely Jessica is very much the golden girl of British athletics, even though the 2012 Olympics will be the first she's competed in, having missed 2008 through njury. However, she's a former world champion and very much in the mix for gold. She's also in the mix for us having a lazy tug over her in the mid-afternoon as she looks fucking hot in shorts, and even if she doesn't make the podium, we're more than ready to decorate her chest.

Alex Morgan (US soccer)

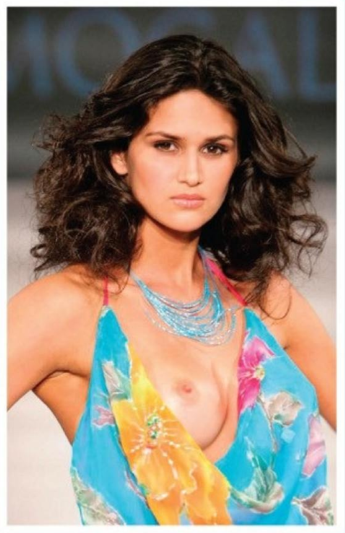
If there's one reason to go and see the US women's soccer team play at London 2012 (and, to be fair, there's a few – they're the no.1 ranked team in the world, and going for a third straight Olympic gold), it's Alex Morgan. The striking striker has 27 goals in 42 matches for the USA and, more importantly, is well lush. We can't wait to see her dribbling in the box…

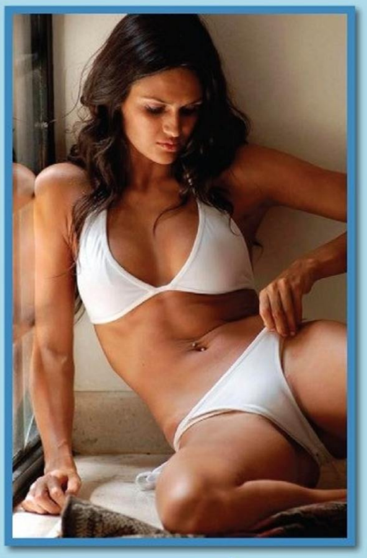
GREAT BRITAIN

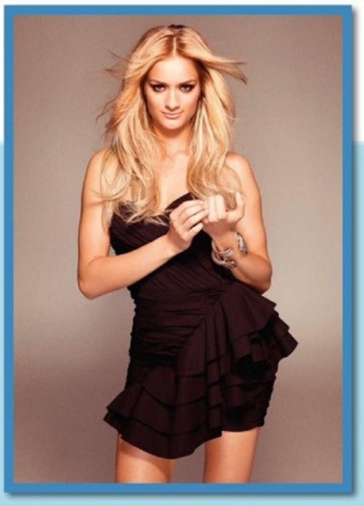


Leryn Franco

No relation to the murdering Spanish dictator cunt, Leryn actually hails from Paraguay (who, fact fans, didn't invent the Paralympics) and combines her athletics career with lots of modeling, which will come as no surprise when you clock that bod. In fact, that's what she's best at, considering in the last two Olympics she finished 42nd and 51st. Still, we wouldn't mind her grasping our javelin. Although we don't want her throwing it 50 metres away, ta very much.

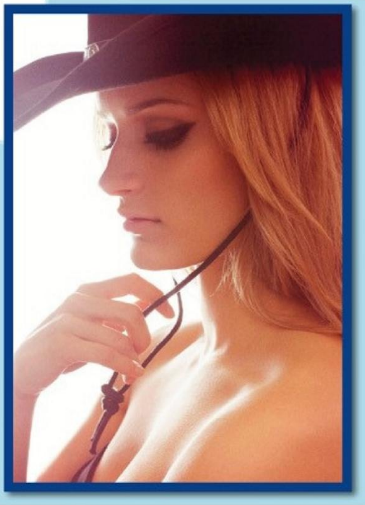


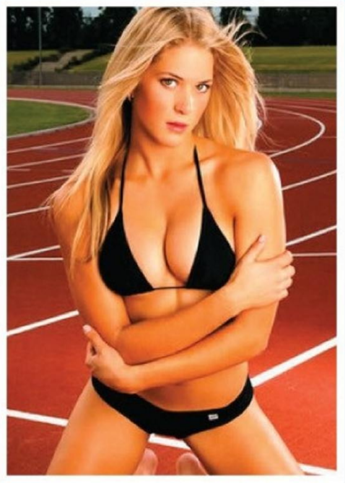




Christina Vukicevik (Norway Hurdles)

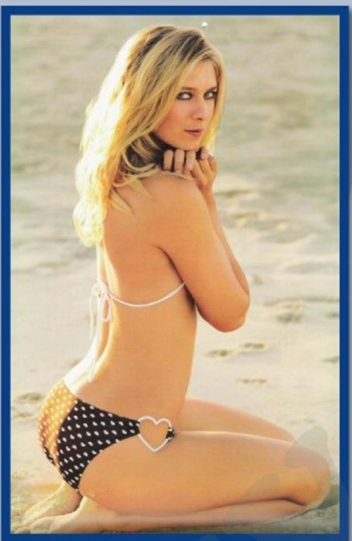
Despite that surname (she's of Serbian descent), Christina Vukicevik is in fact Norwegian, which makes her the second person from that country we've ever heard of – the other being Ole Gunnar Solskjaer. Is she another fit sort whose sporting level is nearer to school sports day than elite level? No, not quite. She's the Norwegian champion and won gold at the European Under 23 championships in her discipline of 100m hurdles. There's no(r)way we'd let her get her leg over us. Hold on, that doesn't even make sense...





Melanie Adams (US pole vault)

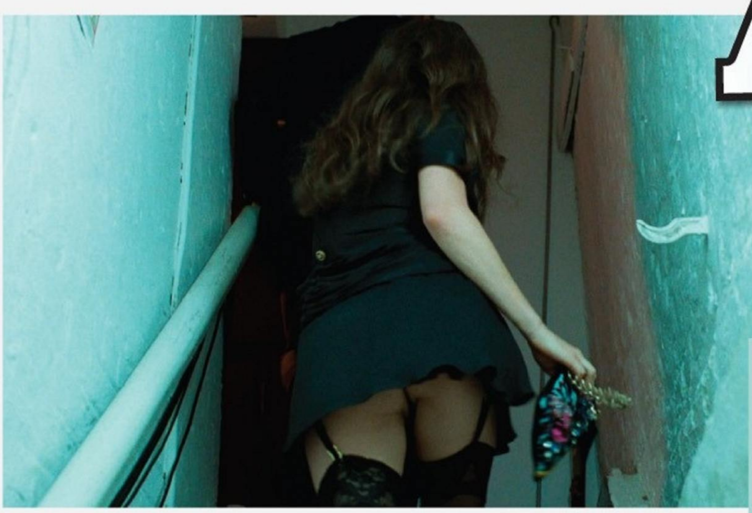
Melanie Adams might not be troubling the medal-casters, but the Australian pole vault competitor is, for our money, the horniest athlete coming to London this year. Fuck, she's even entering Miss Universe. Weirdly, pole vault is full of babes, with sexy US vaulter Allison Stokke one to watch as well, although Adams eclipses her, so we had to say 'rack off, you dag', to her. Insert your own 'pole' joke here...

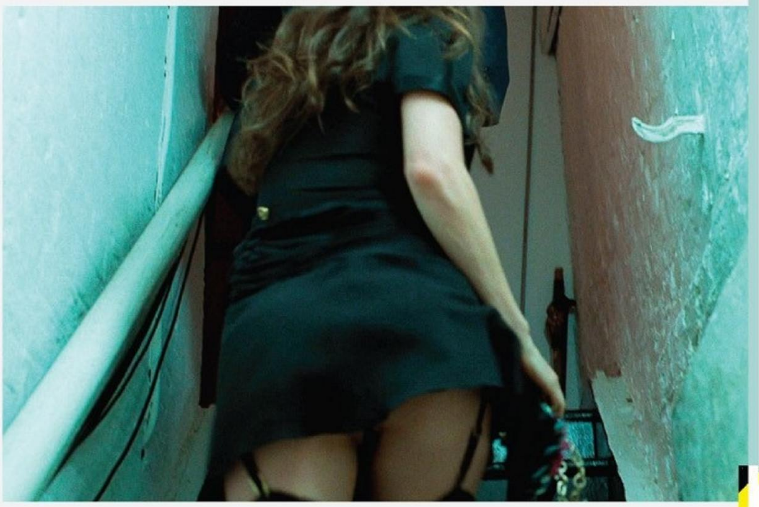


Maria Sharapova (Russia tennis)

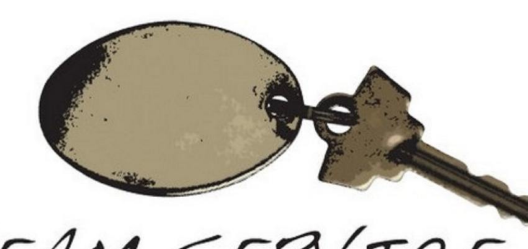
You're probably already familiar with frisky Russki Maria Sharapova, as she's one of the global stars of tennis, and a four time grand slam winner. She's not averse to a bit of modeling, and her swimsuit shoots had us asking for new balls, please, after we'd shot all our barley water. Never mind the Australian, French and US titles, we'd like to see this Russian open...

Anna Friel





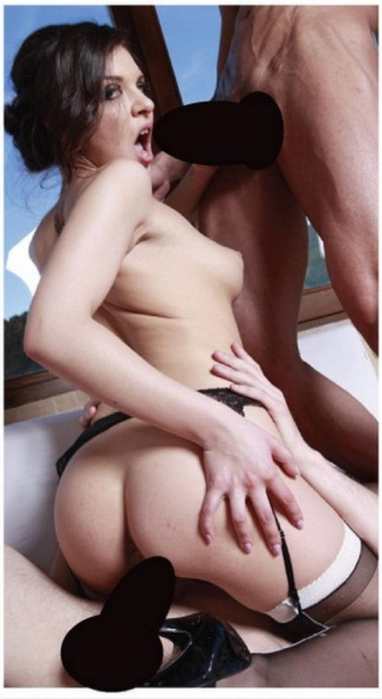
We've wanted to cop a Friel of Anna ever since she got all sapphic in *Brookside.* She could bury us under a patio any time. And she hasn't disappointed since, stripping for sin in a bunch of film and TV that's pretty much only worth watching because she's in it and wearing very little/nothing. *The Tribe, The War Bride, Me Without You, London Boulevard.* We're not saying they're terrible – actually, we are saying that about *The Tribe* – we're just saying we watched them because we take a close interest in Anna's career.



THE HOTEL WITH REAM SERVICE...

When we go on holiday, we check *tripadvisor.com* to see what the beds are like, if there's a mini-bar, and see if we can get a late check-out. When Harmony go on holiday, they just get a fuckload of girls, hire a villa and go shag the hell out of each other in it. Something tells us that their approach is better.

British stud Danny D takes his friends to a Barcelona villa for a holiday and, wouldn't you know, they happen to be fellow porn studs Oliver Sanchez and Marco Banderas. And instead of taking in the Sagrada Familia, they get familiar with the inviting holes of Euro slut Henessy. This all-natural cutie has a passion for jamon, and



takes about 20 inches from her chosen blokes, a roadblock of cock meat taking place in her pussy and arse at the same time.

Valentine goes one further when she gets invited back to the villa after her car has broken down. She takes one in the exhaust, one in the bonnet and, erm, this is where the metaphor breaks down. All we're saying is that she's got a nice set of spark plugs and gets soaked in three big glugs of jizz. Perfect.

Megan Coxxx drops by to see Marco, and this Brit babe proves once again what a reliable fuck-slut she is. She bounces up and down on his schlong with abandon, sucks his curved cock as deep as she can and then he tests out the absorbency of her skin by blasting a load onto it.

She's followed by Linet Slag, who overcomes her unfortunate nom de porn by having a pair of the finest funbags ever to grace a porno screen. They jiggle, they joggle. They also observe about four litres of cum in 7 seconds, which we reckon has to be some kind of cum-absorption record, not that we're counting.

Last up, Henessy returns for more cock, bringing her US friend Skin Diamond with her. They share Danny D's long dong, sucking the juice from each other's pussy on it and squealing with delight as he goes nuts deep in their truly stuffed slits.

So, that's Whore Hotel – check in and check it out...

Kelly Macdonald

Kelly Macdonald arrived with a splash, baring her Scotch slit in overrated heroin and house music apology *Trainspotting*. She's gone on to star in great stuff since – HBO's *Boardwalk Empire*, BBC's *State of Play* – but has been reluctant to repeat her minge-first approach to acting. So it's also worth seeking out *Some Voices*, where she stars opposite a very boyish Daniel Craig, and *The Girl in the Cafe*, where she's way fitter than any girl who ever worked in any cafe. Ever.

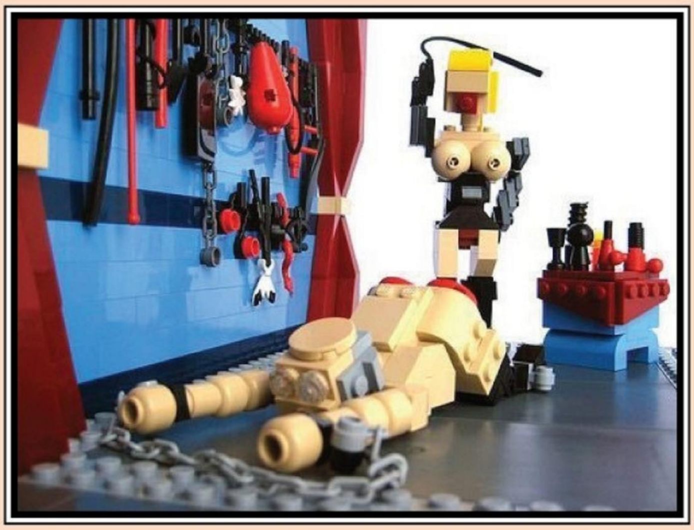
Jokes

Laugh your cock off with the best gags and funniest pics!

A man calls 999 and, panicking, tells the operator, "Come quickly! My son has just swallowed a condom!" Five minutes later, the same man calls back and says, "Don't worry, it's ok – I found another one."



A guy goes to see his doctor. "Doc, I think my dick is just too small. Is there anything you can do?" The doctor asks him which tipple he prefers. "Well Doc, I drink a lot of American beer…" he replies, bemused. The doctor replies, "Well there's the problem! Those silly fluffy American beers have a tendency to, ahem, shrinks things! You should try drinking Guinness – that gets things growing." Two months later, the bloke goes back to his doctor, but this time he's grinning. "Aah," says the doctor, "I assume you're now drinking Guinness?" The man shakes his head. "Oh no, I don't like the stuff – I've got the wife on the American beer instead!"

Two old schoolfriends who haven't seen each other in years, bump into each other in the street one day. "So, did you ever get married?" The first guy asks. "Yes, I've been married for 14 years now. My wife's an angel!" The second man replies. The first man sighs, "You're lucky. My wife's still going strong."

What did the blonde say when she found out she was pregnant? "Are you sure it's mine?"

Have you heard about the new social networking site that the kids have just discovered? It's called outside.
